Issue N° 13 - Spring 2012

Common ground access

You may have noticed the new fencing along the road on the North side of our neighborhood. Thanks to Scott Miller for helping to get that project completed! Your pool key will unlock that gate. Also, a reminder that common grounds should not be accessed by motorized vehicles unless needed for neighborhood projects.

Hospitality & Welcoming Committee

We are always looking for new members to our hospitality and welcoming committee. They are available to welcome new neighbors and reach out with a helpful hand in times of need. Contact Heather Crouch to get connected at hcrouch1972@comcast.net

Brandi Smith - v.p.
Brandon Bishop - secretary
Susan Brown - treasurer

Neighborhood Garage Sale

May 11th-12th from 7am to 1pm

Get ready to clean out your garage and attic! The annual neighborhood Garage Sale is Fri-Sat, May 11th-12th from 7am to 1pm. We will have it advertised in most local newspapers and on Craigslist.

Cleanup Day

April 28th - meet at 9am at pool

Mark your calendars for April 28th as we will head outside and clean up our trails, commons areas, and entrances! We will be clearing areas of fallen trees and other debris from Winter (did we actually have a Winter?). We could also use help establishing the baseball field with a mound and clearer base path. Another crew will be replanting the entrance flower beds and applying mulch where needed.

We have also asked the Harpeth Watershed Association to help us with a major fallen tree along Five Mile Creek which is creating some standing water. We'll meet at the pool at 9am and assign different areas for cleanup work. Hope you can join us!

Pool opening

Opening weekend - May 19th

Our neighborhood pool is opening the weekend of May 19th, so pull out those swim trunks and sun protection and get ready to drop by for a swim! We hope to see the 10 foot earthen berm along I-65 installed by the time the pool opens. Trees will then be planted along the top this Fall. We are having some needed maintenance done at the pool and are excited to announce that it will now be saltwater! We know many families and their kids will enjoy the reduced harshness on their skin and eyes, while we enjoy reduced chemical costs!

Architectural Review?

Our Arch Committee wanted to pass along that you are not required to contact the board with any repairs that are being made on your property that are staying with like kind or quality. Also, we strive to get a fast response from our volunteer team, but please allow at least a week for us to review and respond. Thanks!

Spring Field Party!

May 5th in the South ball field

Lace up your sneakers and join us on May 5th for a neighborhood BBQ and 3-on-3 basketball tournament during the day, then pull out the blankets and bring your family for a Family Movie Night featuring the new "Muppet Movie" on Blu-ray!

Enjoy some healthy competition amongst neighbors for the coveted title of Redwing 3-on-3 champs – details of sign-up to follow. Hope to see you there!

Facebook page

Like us at Redwing Meadows!

We are excited to start using Facebook in addition to our website as a way to keep in touch with our neighbors. We think it would be a great way to share local stories. Maybe even use it to share tips on home maintenance or how you got your yard to look so amazing! Look for lots of creative developments over the year.
